AMENDMENT AFTER FINAL REJECTION

20

In the Office Action of July 8, 2003, the Examiner objected to the drawings, Figure 2 and Figure 3, filed on May 6, 2003, as failing to comply with 37 CFR 1.84(p)(4). Following Examiner Robinson's direction, in Figure 2 descriptive textual labels have been added to number elements 120 and 101, and in Figure 3 descriptive textual labels now define element 301. Also, in Figure 1 and Figure 3 a consistent descriptive textual label defines element 102.
